TRAVELERS EXPERIENCES

“The variety and flow of activities that you organized was excellent. For instance, the Sunday empanada welcome and milonga that night launched our week immediately, affirming that we had arrived in Argentina, the land of tango. The open Tuesday afternoon allowed us to catch our breaths and have a break from doing things as a group, providing freedom at a timely point in the evolution of our Buenos Aires tango journey...” Sharon Hare.

“Whether it was the choice of milongas, handling all the business matters, the touristy excursions, everything was meticulously planned and expertly executed by Silvia...cannot begin to recommend this trip more highly, so I'll just recommend it more highly!” Bill Ware

“It was a magical carpet ride, Silvia...thank you and everyone in the group...” Carole Cox
